

Methodist University Law School in 1974. Throughout his tenure with the company, he has provided sound legal advice to many of the firm's clients. More recently, Jonathan joined Aetna's Federal relations team, where he currently serves as the vice president and counsel responsible for Federal health legislative and regulatory matters. In this position, Jonathan has been an important voice in debates about critical health care issues, such as Medicare and patient safety.

In addition to his work with Aetna, Jonathan also earned a congressional fellowship through the Brookings Institution in 1979. Through this program, he worked as a counsel for the Senate Judiciary Committee. He also serves on the board of directors of the American Benefits Council, and has worked together with respected business organizations such as the U.S. Chamber of Commerce and the National Association of Manufacturers.

Jonathan's wife Elaine, an accomplished dancer and teacher, shares his commitment to community service. Elaine is affiliated with several community groups and theaters as a choreographer and director. She is passionate about her work, so much so that she returns to Connecticut during the summer to work with local dance troupes in a variety of settings. I thank Elaine for her contributions to Connecticut's vibrant artistic culture.

In his off-work hours, Jonathan enjoys spending time with his three children and two grandchildren. He also loves to explore his deep Greek heritage. Jonathan's ancestors made their living as divers in the Aegean Sea, and Jonathan is known to regale his friends and colleagues with fascinating anecdotes about Greek history and culture, such as the history of the Hippocratic Oath.

I wish Jonathan Topodas, and his family, nothing but the best as he gets ready to begin a well-deserved retirement.●

BANGOR HIGH SCHOOL'S GIRLS SOCCER TEAM

● Ms. SNOWE. Mr. President, today I extend my most heartfelt congratulations to the Bangor High School Girls Soccer Team, which on November 5, 2011, clinched the programs first-ever Maine Class A State Championship, and in doing so achieved the remarkable feat of a perfect season! I applaud Coach Johnson and each and every member of the team on their milestone accomplishment!

Indeed, the story of the Bangor Girls Soccer Team is truly inspiring, characterized by an extraordinary strength of character and conviction that could not be more emblematic of our great State of Maine. The team embarked upon this season imbued with the distinct recollection of its heartbreaking loss in last years championship match, but under the steadfast leadership of 12 seniors who have been lifelong friends

and teammates, the team admirably transformed that defeat into an indefatigable drive to seize the gold ball.

From that point forward, the team demonstrated an awe-inspiring, unmatched fortitude and tenacity that propelled them to victory after victory. As senior Liz Hintz stated in a Bangor Daily News article, We took every game seriously. We knew we couldn't afford to let down for even ten minutes because we knew it could cost us. That undeterred, laser beam focus was reflected in their statistics as well. In the regular season alone, the team incredibly outscored their opponents 98-8, and in the postseason, an even more impressive 18-0.

The teams unwavering motivation led them all the way to their second consecutive championship game where, in a rematch of the previous years title contest, they again confronted the reigning champion. Undaunted, the team played with the unflagging passion and willpower that had become its hallmark characteristic, working tirelessly on both offense and defense and never relenting to a challenge. That irreversible tide of momentum as the opposing coach called it carried Bangor to a convincing 4-0 victory and its first Class A Championship.

The legendary Mia Hamm once astutely observed, The backbone of success is usually found in old-fashioned, basic concepts like hard work, determination, good planning and perseverance. If any team epitomizes that belief, it's the Bangor Girls Soccer Team, which overcame the heart-wrenching loss of last year to become the best team in Class A soccer this year.

Again, I congratulate and commend the Bangor High School Girls Soccer Team on their well-deserved victory as well as their extraordinary efforts. What a wonderful success story they are for Bangor and our great State of Maine!●

TRIBUTE TO MARVIN BREWSTER

● Mr. TESTER. Mr. President, today I honor Marvin Brewster, a veteran of the Vietnam war. And a familiar volunteer in the community of Great Falls, MT. For years, Marv has been very active in Toys for Tots, and the Marine Corps League, and the Great Falls Farmers Market.

Marv Brewster is also an artist. He sculpted the 13-foot angel that graces the Montana Veterans' Memorial. Anyone who has visited that memorial has no doubt been uplifted by the power and comfort of Marv's statue.

Through all of his work in this community, Marv never asked for recognition. He just did as all Marines do—the very best he could on behalf of his fellow citizens.

Forty-six years ago, Marv joined the Navy. He served with M Company, 3rd Battalion, 7th Marines as a combat corpsman in Vietnam.

I would like to read what COL C.H. Bodley, the commander of the 3rd

Battalion, said to Marv in 1966. And this is a direct quote:

You have performed your duties as Platoon Corpsman in an outstanding manner . . . Your potential was more fully exploited as you participated in eight major operations and numerous small unit activities. On Operation Mallard' the company sustained 13 casualties from Viet Cong small arms and mortar fire. Without hesitation, you moved through the area administering aid and comforting those in need of your assistance . . . Your performance on Operation Mallard' is indicative of the consistently fine work you have been doing. Your eagerness to serve, unswerving loyalty and professional ability have earned you the respect and confidence of all who have been associated with you. It is indeed a pleasure to have men of your caliber in my command and I highly commend you for a job well done.

On April 21, 1966, Marv was wounded in combat during "Operation Hot Springs." For his sacrifice, he received a Purple Heart.

Marv got the medal. But his Purple Heart was never recorded in his official records. The Navy said it was the Marines' job. The Marines said it was the Navy's job.

Decades later, Marv Brewster reached out to my office to fix his record once and for all so he could access the health benefits he earned as he faces another tough challenge: cancer, related to Agent Orange exposure in Vietnam.

Yesterday, it was my honor to present Marv with the Purple Heart Award Certificate he should have received nearly 50 years ago, and with it a corrected "DD 215" discharge form.

History shows us that Marv is an honored recipient of the Purple Heart, and all the benefits that come with it.

In researching Marv's records, we learned that Marv never received several other decorations he earned years ago. Yesterday, I also had the honor of presenting to Marv, the Navy Good Conduct Medal, and the National Defense Service Medal. It was also my honor to present the Vietnam Service Medal with three Bronze Stars, and the Presidential Unit Citation Ribbon. Yesterday I also presented to Marv the Combat Action Ribbon and the Vietnam Campaign Medal with 1960 Device. These decorations are small tokens, but they are powerful symbols of true heroism—sacrifice and dedication to service.

These medals are presented on behalf of a grateful nation that wishes you and your family, Marv, the very best in the future.●
